Mr. President, Executive Committee, Father Nasta and Fellow Board Members

Report for Year 2025

As always, it has been a privilege and honour to Represent the First Catholic Slovak Union as a Regional Director for Region 8 for the year 2025. I have performed all duties required of me as stipulated in the bylaws of the FCSU.

The following details are a summary of the activities and events that I participated in and represented the FCSU Region 8.

Fraternal Activities

- ✓ I have attended both the Board of Directors meeting in March 2025 at Head Office and the September 2025 Semi Annual Meeting via conference call.
- ✓ I also participated in the teleconference meetings that were held bi-annually and as well, an Executive Committee meeting by the invitation of the President.
- ✓ I personally attended the International Bowling tournament held in Akron Ohio, in April 2025. I also want to acknowledge the Canadian winners at this event.

Local Activities – District 19

- ✓ I have attended the local annual meeting of Okres Monsignor Michael Shuba District 19 and Branch #785, as well as their semi-annual meetings.
- ✓ I represented the FCSU at the annual Toronto Slovak Bowling League's end of year Banquet.
- ✓ The other fraternal activities I assisted and participated in was the annual summer Regional Picnic held September 7, 2025 in Noval Ontario. This event was attended by our members and free admission was sponsored by the Branch, through the "Branch Reimbursement Program". We had special guests once again come for the fun...Ken Arendt and Gary Matta from Head Office.
- ✓ On September 14, 2025, I attended our local "Our Lady of Sorrows" Patroness of Slovakia Mass and Breakfast at Sts Cyril and Methodius Slovak Church in Mississauga. Cosponsored by Br 785 and District 19, and was opened to all members. This annual event brings together the other local Slovak Societies in the Mississauga area well.
- ✓ I attended the Jednota euchre nights once a month
- ✓ I attended funeral services of our deceased members in Mississauga Ontario.

Respectfully submitted

Miloš Mitro, Regional Director – Region 8
