

March 16, 2024

Dear Rev. Thomas Nasta, President Ken Arendt, Executive Officers, and fellow members of the FCSU Board of Directors:

Pochválený buď Ježíš Kristus,

Praise be Jesus Christ!

The Audit Team successfully completed four audits in fiscal year 2023. All processes were followed from beginning to end to confirm that all requirements and records were in place. No issues or any discrepancies were discovered. All audits are conducted in accordance with auditing standards general accepted in the United States. The audit team found everything to be in good order. The National Auditors thank the Home Office staff for their cooperation in assisting the completion of the audits in a timely fashion. A summary of all audit processes is provided below.

I attended all 2023 scheduled Board and Executive Committee Meetings. In addition to my auditor duties, I attended the national bowling tournament, national golf tournament and one national picnic. At the branch and district levels, I attended all events and serve on the Branch 181 Scholarship Committee. My participation in all district and branch activities has allowed me to interact with members and promote our society.

I consider it an honor and privilege to serve our members as Chairman of Auditors and look forward to serving as National Chairman of Auditors.

Please let me know if you have any questions or require further details.

Srdecne pozdravujem, Best regards,

Gregory J. Maurer

METHODOLOGY

Audit procedure programs written by the auditing team are used throughout the year to evaluate the key operations of the specific areas chosen to be audited. Discussion with management and staff, observation, and analytical testing is completed. All results are presented to the President and Executive Secretary prior to closing the audit.
